

**Acts and Regulations governing vehicle use in a working environment:**

- The Health and Safety at Work Act 1974.
- Management of Health and Safety at Work Regulations 1999.
- Provision and Use of Work Equipment Regulations 1998.

**In addition – those with responsibility for Vehicle Management must not overlook duties as an employer under road traffic law:**

- The Road Traffic Act.
- Road Vehicle (Construction and Use) Regulations.

These are administered by the police and other agencies such as the Vehicle and Operator Services Agency.

Guidance on health and safety at work is available from the Health and Safety Executive website. A handy tool is the A-Z index in the header: <http://www.hse.gov.uk/>
